# SAHIL BHIRUD

**Email:**sahilbhirud05@gmail.com | **Mobile:**+91 8010231305 |**LinkedIn:**www.linkedin.com/in/sahilbhirud2005

## OBJECTIVE

MCA Data Science student with a B.Sc. in Computer Science (8.51 CGPA). Proficient in **Python, SQL, and Power BI** visualization. Seeking roles to apply analytical skills and foundational knowledge in Machine Learning.

## EDUCATION

- **MCA(Data Science):** RCPET's IMRD, Shirpur (Currently Pursuing)
- **B.Sc (Computer Science):** North Maharashtra University (2022 – 2025, CGPA: 8.51)

## EXPERIENCE

**Trainee Developer Intern, Python Programming** | iBase Electrosoft LLP | Sep 29 – Oct 4, 2025

- Completed intensive 7-day training focused on core **Python** concepts and practical application.
- Applied fundamental programming principles for computational problem-solving.

## PROJECTS (Data Visualization)

- **Shipment Analysis Dashboard (Power BI):**
  - Built a dynamic dashboard to monitor logistics, delivery efficiency, and cost.
  - Modeled datasets to identify shipment risk areas.
- **Amazon Prime Video Dashboard (Power BI):**
  - Developed a comprehensive dashboard to analyze content performance, ratings, and genre trends, utilizing effective **data modeling** for accurate analysis.
- **Mini Project: Descriptive Data Analysis on Student Dataset (Python):**
  - Built a beginner-friendly mini project using Python where I:
    - Created a student dataset
    - Cleaned missing and invalid data
    - Performed descriptive analysis
    - Visualized insights using simple graphs

## SKILLS

**Technical Skills:**

- **Data Tools:** Jupyter Notebook, Google Colab, Power BI, MS Excel, MySQL, PGAdmin.
- **Languages:** Python, SQL, C++, Java.
- **Concepts:** Data Wrangling, EDA, Statistical Modeling, Machine Learning, DSA, Prompt Engineering

**Soft Skills:**

- Communication
- Leadership
- Quick Learning
- Adaptability
- Problem Solving

## CERTIFICATIONS

- Campus to Corporate Workshop **International Certification by SSIC**.
- **Python for Data Science** by **Infosys Springboard**.
- Essential **SQL** skills for data beginners by Analytics Vidhya
- **Statistical Methods** for Decision Making by Great Learning.
- **Google Analytics** Certification
- **Python 7-days Internship** by ibase electrosoft Pune.
- **Python** 3.4.3 Training by Spoken Tutorial IIT Bombay.
